Escrow Account Statement

Why am I receiving this statement?

Midland Mortgage, a division of MidFirst Bank ("Midland") recently reviewed your escrow account. Part of your monthly mortgage loan payment ("mortgage payment") goes into your escrow account to pay recurring expenses on your behalf such as property taxes, insurance, and other items required by your loan documents. This statement shows how those expenses affect the amount of your monthly mortgage payment.

Why did my payment change?

The most common reason escrow payments change is an increase or decrease in the amounts you pay in property taxes and homeowner's insurance. **If you have questions about a change in your tax or insurance bills, please contact your local taxing authority or insurance agent.**

What do I need to do next?

Please review your escrow statement below, which explains how the shortage will impact your monthly payment. The last page of this statement includes helpful answers to common escrow questions.

If your loan was in default at the time MidFirst Bank obtained it, and you have not filed bankruptcy or received a discharge of the debt secured by the Mortgage/Deed of Trust, we are required to advise you that this communication is from a debt collector, this is an attempt to collect a debt, and any information obtained will be used for that purpose.

Notice to Connecticut and North Carolina Residents: The purpose of this communication is to collect a debt.

Notice to Vermont Residents: This is an attempt to collect a debt and any information obtained will be used for that purpose.

New Monthly Mortgage Payment

The amount needed in your escrow account to pay your expenses, such as property taxes or homeowner's insurance, has changed. **Because of this, your mortgage payment has changed to \$1,248.43 beginning with the 8/1/2023 mortgage payment.**

| Monthly Payment | Old Payment | New Payment | Change |
|--|-------------------|-------------------|-----------------|
| Principal & Interest | \$638.19 | \$638.19 | None |
| Escrow Deposit plus Escrow Shortage or Surplus | \$587.33 | \$610.24 | Increase |
| Total Monthly Mortgage Payment | \$1,225.52 | \$1,248.43 | Increase |

Escrow Bills and Escrow Payment

The following chart shows the breakdown of the amounts we anticipated to be paid from your escrow account since the last review and the new amounts we expect to pay from your escrow account between August 2023 and July 2024.

| Escrow Bills | Old Amount | New Amount | Change |
|---------------------|-------------------|-------------------|-----------------|
| Homeowners Ins | \$1,828.00 | \$1,960.00 | Increase |
| MI Premiums | \$1,302.96 | \$1,302.96 | None |
| City/Town Tax | \$900.62 | \$900.62 | None |
| School District | \$3,016.41 | \$3,016.41 | None |
| Annual Total | \$7,047.99 | \$7,179.99 | Increase |

Required Minimum Balance

The required minimum balance is between 0 and 2 new monthly escrow payments and is determined by the terms of your loan documents, federal and/or state law. The new required minimum balance in your escrow account is \$979.50

| | |
|--|-------------------------|
| Your lowest expected escrow balance: | \$836.50 |
| Your required minimum balance | \$979.50 |
| <i>The difference creates a shortage in your escrow account of:</i> | <i>-\$143.00</i> |

Because the lowest expected escrow balance is less than the required minimum balance, there is a shortage of -\$143.00 in your escrow account. This shortage is illustrated in the table below, and can be found by calculating the difference in the bolded numbers in the Anticipated Balance and Required Balance columns.

Expected Escrow Account Transactions

The following chart shows the amounts we expect to deposit into and pay out of your escrow account during the next escrow cycle, as well as the required balance for each month. These projections are based on the most recent bills paid from your escrow account. The actual amounts billed by your insurance company and by your taxing authority in the upcoming year may be different and could result in changes to your monthly mortgage payment when your escrow account is reviewed in the future. If you become aware of a change to your insurance or taxes, you may wish to contact Midland to have your escrow account reviewed to avoid a large shortage or surplus in the future.

Paying the Shortage

There is a shortage in your escrow account, which will be collected over the next 12 months with your monthly mortgage payment. There are no additional fees or interest to pay the shortage amount over the next 12 months.

Your escrow shortage of \$143.00 will be repaid by adding \$11.91 to your next 12 monthly payments. This amount is automatically included in your new monthly payment of \$1,248.43 beginning 8/1/2023.

No action is required by you.

What if I have enrolled in an Automatic Payment Plan?

- If you use Midland's Automatic Payment Plan, we will automatically adjust your payment withdrawal amount.
- If you use an automatic payment program other than Midland's, please contact your payment administrator and ask them to update your payment to the new amount.

Frequently Asked Escrow Account Questions

Q1 What is an escrow account?

Part of your monthly mortgage payment includes an amount for your loan's principal and/or interest, but it also includes an amount for property-related expenses (such as property taxes, insurance, and other items required by your loan documents). These amounts are deposited into an escrow account associated with your mortgage loan. With an escrow account, you pay a portion of your property taxes, insurance, and other items required by your loan documents every month instead of once or twice a year.

Q2 Why did Midland change my monthly mortgage payment amount?

Midland does not change your principal and interest monthly payments unless you have an adjustable interest rate mortgage loan or an interest-only period on your loan. Increases or decreases to the escrow portion of your monthly mortgage payment are usually because of changes in your taxes or insurance.

Property Taxes: Your property taxes may change when your property is reassessed, when the applicable tax rate changes, or when a special tax or assessment is charged by your local taxing authority. Contact your local taxing authority if you have questions about changes to your property taxes.

Homeowner's and Flood Insurance: Your premium for insurance covering your property can change when your coverage changes or if the rate that your insurance company charges for your coverage changes. Contact your insurance carrier or agent with questions about your insurance coverage and the cost of your coverage. You may also contact our Insurance Service Center at 1-866-439-2712 to discuss any changes in your insurance bills and your options.

Q3 How often will my escrow payment change?

Your monthly escrow payment, and thus your monthly mortgage payment, may change at least once a year when we review your escrow account as required by federal and state law. Your escrow payment might be recalculated more than once a year if there are substantial changes in your escrow bills (for example, you obtain homeowner's insurance at a reduced rate or you receive an exemption from paying the full amount of your property taxes).

Q4 Will my automatic payments change to cover my new payment amount?

If you use Midland's Automatic Payment Plan, we'll automatically adjust the withdrawal amount to the new payment amount upon its effective date. If you use an automatic payment program other than Midland's, please contact your payment administrator and ask them to update your payment to the new amount.

Q5 What should I do if I think my escrow bills are wrong?

You should verify billing amounts with your insurance carrier or taxing authority if you believe your escrow account has been charged incorrectly. If the amounts have changed, provide Midland with proof of the change from the taxing authority or insurance carrier so that we can adjust your escrow payment accordingly.

Q6 What are my options if my payment increased and I can't afford a higher mortgage payment?

If a payment increase causes a financial hardship and you cannot afford the larger monthly mortgage payment, call us at 1-800-552-3000 to discuss mortgage assistance options that may be available to you.

Visit www.MyMidlandMortgage.com/Escrow for additional helpful answers to frequently asked escrow questions or contact us at 1-800-654-4566.
